

TOF Pixel Point

Date of Birth: 10/11/2016 **Registration 1:** 283537

Pixie is a beautiful cow and following in her mama's footstep. She's a thick chested, perfect grass-fed body phenotype that we desire. She holds her body condition throughout the year. Her horns are black tipped and working on her second twist. Another Game Point keeper.

TTT: 58.0000 on 03/18/2023
